

Yerbaé Kicks Off 3rd Quarter with the Largest Club Retailer in North America

Launching in Six States: California, Arizona, Nevada, Colorado, New Mexico, and Utah

SCOTTSDALE, Ariz.--(BUSINESS WIRE)--July 16, 2024--Yerbaé Brands Corp. (TSX-V: YERB.U; OTCQX: YERBF) (“**Yerbaé**” or the “**Company**”), a plant-based energy beverage company, announced a significant milestone with the largest club retailer in North America. Starting July, Yerbaé’s top-selling 16oz energy drinks will be available across six states: California, Arizona, Nevada, Colorado, New Mexico, and Utah.

Driven by a strong and growing consumer base, Yerbaé has seen increasing demand for its products. Consumers have actively reached out via social media and directly to stores, eagerly inquiring where they can find Yerbaé beverages in these regions. In response to this overwhelming enthusiasm, Yerbaé is excited to meet the demand and offer its refreshing energy drinks at convenient club store locations.

“Our fans have been incredibly vocal on social media, asking where they can find Yerbaé in their area. We’re thrilled to now be able to tell them that their favorite energy drinks are available in their local club stores,” said Todd Gibson, CEO and Co-Founder of Yerbaé. “This expansion marks a significant milestone for us, and we are excited to bring our delicious and healthy beverages to even more consumers.”

The club stores will feature a variety pack of Yerbaé’s top three 16oz flavors: Mango Passionfruit, Watermelon Strawberry, and Black Cherry Pineapple. These energy beverages are crafted with plant-based ingredients and contain zero calories, zero sugars, and zero carbohydrates, aligning perfectly with the health-conscious preferences of club store shoppers.

Yerbaé’s commitment to quality and healthful ingredients continues to resonate with consumers seeking better-for-you alternatives in the energy drink market. The availability of Yerbaé’s variety pack in these new locations marks an exciting chapter in the brand’s growth and outreach.

About Yerbaé

Yerbaé Brands Corp.,(TSXV: YERB.U; OTCQX: YERBF) makes great-tasting energy beverages with yerba mate and other premium, plant-based ingredients. All Yerbaé energy beverages are zero calorie, zero sugar, non-GMO, vegan, kosher, keto-friendly, paleo-approved, gluten free and diabetic-friendly. Founded in Scottsdale, AZ in 2017, Yerbaé seeks to disrupt the energy beverage marketplace by offering a no-compromise energy solution, with input and support from its recently-announced Yerbaé Advisory Board, Sports and Entertainment. Disclaimer for Forward-Looking Information

This news release contains forward-looking statements relating to the Company. Statements in this news release that are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations or intentions regarding the future, including; Yerbaé's ability to be a leading player in the plant-based functional energy beverage industry. Forward-looking statements are based on assumptions and are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from those that are disclosed in or implied by such forward-looking statements. The material assumptions supporting these forward-looking statements include, among others; that the demand for the Company's products will continue to significantly grow; that the past production capacity of the Company's co-packing facilities can be maintained or increased; that there will be increased production capacity through implementation of new production facilities, new co-packers and new technology; that there will be an increase in number of products available for sale to retailers and consumers; that there will be an expansion in geographical areas by national retailers carrying the Company's products; that the Company's brokers and distributors will continue to sell and prioritize the Company's products; that there will not be interruptions on production of the Company's products; that there will not be a recall of products due to unintended contamination or other adverse events relating to the Company's products; and that the Company will be able to obtain additional capital to meet the Company's growing demand and satisfy the capital expenditure requirements needed to increase production and support sales activity. Actual results could differ from those projected in any forward-looking statements due to numerous factors. Such factors include, among others, governmental regulations being implemented regarding the production and sale of energy drinks; the fact that consumers may not embrace and purchase any of the Company's products; additional competitors selling energy drinks reducing the Company's sales; the fact that the Company does not own or operate any of its production facilities and that co-packers may not renew current agreements and/or not satisfy increased production quotas; the potential for supply chain interruption due to factors beyond the Company's control; the fact that there may be increases in costs and/or shortages of raw materials and/or ingredients and/or fuel and/or costs of co-packing; the fact that there may be a recall of products due to unintended contamination; the inherent uncertainties associated with operating as an early stage company; changes in customer demand and the fact that consumers may not embrace energy drink products as expected or at all; the extent to which the Company is successful in gaining new long-term relationships with new retailers and retaining existing relationships with retailers, brokers, and distributors; the Company's ability to raise the additional funding that it will need to continue to pursue its business, planned capital expansion and sales activity; and competition in the industry in which the Company operates and market conditions.

These forward-looking statements are made as of the date of this news, and the Company assumes no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements, except as required by applicable law, including the securities laws of the United States and Canada. Although the Company believes that any beliefs, plans, expectations and intentions contained in this presentation are reasonable, there can be no assurance that any such beliefs, plans, expectations or intentions will prove to be accurate. Readers should consult all of the information set forth herein and should also refer to the risk factors disclosure outlined in greater detail under

“Risk Factors” in the Company’s Information Circular dated November 15, 2022 available on SEDAR at www.sedar.com.
